There are no issues.

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
Trevor Hollack	Relearning Javascript Troubleshooting form creation on the recipe page	4	13
Joseph Sluterbeck	Began HTML coding of shopping cart page	4	14
Braden Stromdahl	Learning Flask Updated Javascript to handle information flow Update HTML to use logos	11	26

Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and itemized action items discussed in the meeting.

Friday Feb 7:

Trevor

Joseph

Braden informed to group earlier that he could not make it due to insomnia

Talked about using clickable images for the nav

Clicking one image will take to index page, another image will be like a "back" button, buttons from the other aspects of the site, and a profile button

Discussed using textboxes vs. forms for getting user input

Joseph has images created for part of the nav, will share them later
