Team Name: Growth At All Costs
Report Number: 2
Reporting Week: Jan 20 – Jan 26

Summary of work completed in prior week:

Github Pages website created
Interview questions for Sean were brainstormed and discussed
Team interview with Sean conducted
Review of findings from interview done immediately after the interview
Start working on the frontend

Summary of work planned for next week:

Go over project requirements gained from interview
Break different aspects of the project into workable tasks
Begin working on the frontend of the project
Trevor will work on the recipe front end page
Braden will work on the inventory front end page
Joseph will work on the shopping cart front end page

Open issues and action plan to resolve them:

There are no issues with the project currently.

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
Trevor Hollack	Worked on Interview Questions Began recipe creation page	6	7
Joseph Sluterbeck	Worked on Interview Questions Learned HTML/CSS	4	5
Braden Stromdahl	Created Github Pages Site Scraped internet for recipes for future use	8	9

Meeting summary
For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and itemized action items discussed in the meeting.

Friday Jan 24th 9 am:
Trevor
Joseph
Braden

Discussed what roles the team will have during the interview:
      Trevor asking questions
      Joseph and Braden taking notes
Do we want specific people doing specific roles? Backend, frontend, etc…?
      No, do sprints to achieve goals, whatever they are, front end is initial priority
Braden scraped internet for 50,000 recipes
Biggest challenge for the team will be the backend and accounts
Discussed possible object detection usage if needed
Meet again right after the team interview to discuss findings
Talked about inviting Sean to the Slack channel
